Secretary to Government, Revenue Department,

Sir,

Remission of arrears of Shop taxes due for the years 1939 and onwards amounting to Rs.305-10-0, in the Gundlupet Municipality

I have the honour to submit herewith, the file of correspondence, received with the Municipal President's report No C 15 of 47-48, dated the 20th August, 1947, on the above subject and to state that it is seen from the Audit objection an extract of which is enclosed, the Municipal Council got 12 cases of arrears of shop taxes, in the municipality, amounting to Rs 305-10-0, written off the accounts as being irrecoverable under a Council resolution dated the 30th June, 1946, copy of which is enclosed The auditor observed while auditing the accounts for 45-46, that under article 84 (A) M A M introduced by Correction slip No 104 dated 4-6-1947, the council power to remit the amount was limited only to Rs150/Rs and that consequently the resolution of the council required to be regularised by obtaining competent sanction, failing which the amount would have to be made good as a surcharge

Individual cases and the amount shown as outstanding against each are noted in the resolution itself together with the periods for which they are due, and an office note in Kannada which was placed before the Council explains

explains the reason for remission in each case The president states that by an examination of each individual case, the council has come to the conclusion that the demand has been unnecessarily kept in the accounts, the defaulters (alleged), having no longer kept the shops running

Under the Government order No L 82565/M1 89-40-25 dated the 16th May 1941, the power of council to remit irrecoverable arrears is limited to Rs 150/- I request, therefore that Government may be moved to accord sanction to the remission of sum of Rs 305-10-0, as recommended by the Council early this would regularise the action taken by the Council

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
Mysore District
